## **CPAP Sleep Study Process**

Sleep well. Breathe easy.

Patient presents with possible sleep disorder symtoms

Dr completes & sends the **Home Sleep Study Referral form** to CPAP nurse (email or fax)

CPAP nurse contacts patient to book in for overnight ambulatory sleep study

Optional: The patient can bring the Referral Form into Orana Mall Pharmacy when they come in to see the CPAP nurse

At appointment at Orana Mall Pharmacy, patient sent home with sleep study equipment attached for overnight monitoring

Cost to the patient- Sleep Study equipment setup \$100

Patient returns sleep study equipment to the CPAP nurse the next day

CPAP nurse sends sleep data to Dr Solin for reporting

**Sleep Consultant Report** mailed/faxed to referring Dr & patient within 14 days

Dr determines treatment for patient
